

Bonus Ice Meeting Agenda

January 1, 2025

Board Members in Attendance: Melissa Snyder, Erica Olson, Alyssa Waskoski, Will Berger

Absent: Andy Schillinger, Brittany Myska, Jessie Schuler

1. Review

a. Prior bonus ice options

- i. Review of what has been given in the past, discussion about how this may look different with the new ice packages moving forward.
- ii. Bonus ice has been approved on a per session basis. Original intent was to encourage skaters to use more ice. Bonus ice had an expiration date.
- iii. Bonus ice for private ice packages was already discussed and distributed to members.
- iv. Discussion about ice fees, increases in ice fees and cost in comparison to other area clubs.

b. New Ice packages/ice monitoring system

- i. Discussion around the cost for families potentially decreasing due to not having to purchase 30-minute blocks and paying for ice that they are actually using, not having to track makeup ice
- ii. Some families depend on the bonus ice and consider it when registering for ice each session

c. Should we offer bonus ice as it has been given in the past, revise or discontinue bonus ice.

- i. Discussion around changing how we are offering bonus ice, how it is earned and at what rate.
- ii. Right now the system does not provide the ability for the bonus hour to expire.
- iii. Hours already approved for private ice package are less than previous bonus ice

Motion made by Erica to give skaters 1 hour of private ice for each class purchased for the Spring 2026 session. Seconded by Alyssa.

Motion Passed.
