

SVFSC Volunteer Policy

Volunteer Hours:

SVFSC encourages parents and other family members to support their skaters by being an active participant in the club. SVFSC requires a mandatory minimum of 3 volunteer hours, per first skater and 1 additional hour per skater thereafter, per session. Additionally, any hours over the family mandatory minimum can be applied as a monetary “credit” (\$10/hour, \$100 Maximum per skater per session) on your next session enrollment. Any mandatory minimum volunteer hours not fulfilled will be invoiced at the end of the session at \$50/hour. These hours can be served by parents, grandparents, older siblings (13 & up) and other family members or friends that may want to help. There are several opportunities to acquire these hours, including, but not limited to: Holiday Expo, SVFSC Camp, Leap & Compete, Spring Show, ice monitoring and music playing. Additionally, members serving on SVFSC committees can log committee hours for volunteer time. All volunteer hours must be validated by a board member.

Exceptions:

- Any family who has not had a figure skater registered with SVFSC in the past will have their required volunteer hours waived during the first registered session.
- Skaters who are registered for LTS Hockey Class only are not required to fulfill volunteer hours.

All volunteer hours must be turned in or logged on member accounts by 11 p.m. Dec. 21st for the Winter skating session. Invoices for volunteer hours not completed will be sent out by Jan. 1st and must be paid before the start date of the Spring Session.

All volunteer hours must be turned in or logged on member accounts by midnight June. 20th for the Spring skating session. Invoices for volunteer hours not completed will be sent out by July 1st and must be paid before skaters are able to register for another session.

VOLUNTEER CREDITS:

Volunteer Hours will be calculated using credits. Each volunteer position/job will be assigned a certain number of credits, depending on the time commitment. 1 credit = 15 minutes. 4 credits = 1 hour.
