

I release SVFSC from liability from accidental injury or damages while participating in the NDSCS Homecoming Parade for myself and any participating dependents. I understand the following guidelines from NDSCS for participating in the parade:

- The NDSCS Homecoming Parade is a family-oriented event. Profanity and inappropriate content will not be permitted along the parade route.
- For safety reasons, individuals on floats/trailers MUST remain on float/trailer(s) until their float is at a complete stop and parked. Individuals may NOT jump on or off float/trailer(s) during the parade.
- In order to keep the parade moving at a steady pace, we ask that no entries stop during the parade.
- Maximum speed limit during the parade is 5 mph.
- Entries must complete the entire parade route.

I also verify that I have read and understand the rules set forth by SVFSC for participated in the SVFSC float:

- Skaters can ride on the trailer, or walk or rollerblade behind (if skaters can independently rollerblade and keep up with the float).
- Skaters age 10 and under must be accompanied by an adult if they want to participate in the parade - no exceptions!
- For skaters aged 10 and under, the accompanying adult must be with them during the entire parade and participating in the same mode (riding on trailer, walking/rollerblading)
